

- Guests with pets can only stay in certain rooms.
- Health certificate, vaccination paper, etc. showing the regular veterinary records of your pet. It is expected that the documents will be accompanied by our guest with a pet during the stay and presented to the hotel management upon the request of the hotel. Pets cannot be accepted in the hotel in case of lack of relevant documents.
- Maximum (1 or 2) pets per room up to 25 kg are allowed in our hotel. There is no charge for guide dogs (providing medical support/accompanying our visually and hearing-impaired guests/guide dogs).
- Pets must be kept under control and surveillance in the general areas of the hotel, determined by the business, on a leash at all times. Pets cannot be left unattended.
- During room cleaning, the pet must be on a leash with its owner outside or inside the room.
- Pets are not allowed to enter the food and beverage units and even if they are in cages, they are not allowed in the food and beverage areas, pool and the beach. Guide dogs (guide dogs that provide medical support/accompany our visually and hearing-impaired guests/provide emotional support) are excluded from this scope.
- Our pet-owning guests are expected to be particularly sensitive to the necessary cleaning needs after pet walks in and around the hotel general areas.
- Our pet-owning guests are directly responsible for disability or injuries of their pets, or for physical damage caused to the hotel business by their pets.
- Our pet-owning guests accept that they will exempt the hotel, the owner of the facility and the hotel affiliates from any personal harm, loss, damage and liability that may arise from their pets or that they may encounter due to their pets.
- In the event that our pet-owning guests do not comply with the above-mentioned rules or that their pets behave in a way that disturbs other guests, the hotel may request that pet-owning guests leave the Hotel in order to prevent unrest among other guests.
